

Workforce Alliance
Youth Employment Committee Meeting Agenda
Join Zoom Meeting: <https://us02web.zoom.us/j/85994156452>
Tuesday, October 15, 2024 • 11:30 a.m. – 12:45 p.m.

1. **Welcome, Introductions and Updates:** Rod Blackburn (11:30)
2. **Workforce Innovation and Opportunity Act (WIOA) Youth Program Final Performance for Program Year 2023:** Denise Houston (11:35) (pp. 2-6)
Recommended action: Take appropriate action.
3. **2024 Youth Employment Project (YEP) Final Report:** Amanda Duncan (11:45) (pp. 7-18)
The final report on 2024 YEP activities will be provided.
Recommended action: Take appropriate action.
4. **2025 Youth Employment Project (YEP) Planning:** Keith Lawing (12:00) (p. 19)
The Workforce Alliance convened project and community partners for a 2025 Youth Employment Project (YEP) planning session on September 30, 2024. A follow up of that meeting will be provided.
Recommended action: Take appropriate action.
5. **Consent Agenda:** Rod Blackburn (12:15)
Members of the Committee may request discussion on any of the action items at the meeting or the items may be accepted as presented in a single motion.
 - A. Approval of the Minutes from the August 20, 2024 Meeting (pp. 20-22)
Recommended action: Approve the consent agenda as presented.
6. **Partner Updates** (12:30)
7. **Next Steps and Adjourn:** (12:45)

The next WA Youth Employment Committee Meeting is scheduled for Tuesday, December 17, 2024

The Workforce Alliance is the Local Workforce Development Board for Local Area IV

Item

Workforce Innovation & Opportunity Act (WIOA) Youth Program Performance Reports

Background

Program Year 2023 (PY23) ended on June 30, 2024 and is now final. Performance reports for Program Year 2024 will be provided at the next meeting.

Analysis

WIOA Youth (PY23)

The Youth Program annual performance exceeded the goal for Placement in Employment, Education, or Training 2nd Quarter, Placement in Employment, Education, or Training 4th Quarter, Median Earnings, Credential Rate, and Measurable Skills Gain.

LAIV and the State were fairly close in annual performance. LAIV exceeded the goal all five measures. The State exceeded the goal for four measures and met the goal for one measure.

Effectiveness in Serving Employers for WIOA and Wagner-Peyser (PY23)

The Effectiveness in Serving Employers measure is still in baseline status. Only the Retention rate is calculated at the local level. The Employer Penetration and Repeat Business Customer rates are calculated at the State level. LAIV was very close to the State for all programs for the Retention rate. Adult Retention rate was 70.19%, Dislocated Worker Retention rate was 82.13%, Youth Retention rate was 63.64%, and Wagner-Peyser Retention rate was 71.96%. Statewide Employer Penetration rate was 5.72%. Statewide Repeat Business Customers rate was 47.86%.

WIOA Average Indicator Scores (PY23)

For Average Indicator Score LAIV exceeded the goal for Employment 2nd Quarter, Employment 4th Quarter, Median Earnings and Measurable Skills Gain, and met the goal for Credential Rate.

For Average Program Score LAIV exceeded the goal for the Dislocated Worker and Youth Programs and met the goal for the Adult program.

For Average Indicator Score the State exceeded the goal for Employment 2nd Quarter, Employment 4th Quarter, Median Earnings and Measurable Skills Gain, and met the goal for Credential Rate.

For Average Program Score the State exceeded the goal for the Adult, Dislocated Worker and Youth Programs.

Recommended Action: Receive and file.

2024 Youth Employment Project

Final Report
October 2024

The Youth Employment Project (YEP) assists young adults in finding a first job or work experience opportunity. YEP activities include resume creation, job search, interview preparation and job fairs. Educational opportunities for participants include soft skills, customer service, and financial literacy. The Workforce Alliance (WA) has led a summer youth employment program since 2009. The goals of YEP focus on leveraging resources and aligning services to create significant community impact.

In 2024, YEP continued its collaboration with the City of Wichita, the Greater Wichita YMCA, and Wichita Public Schools through the Helping Youth Prepare for Employment (HYPE) Youth Employment Network. These partners each have well-established youth employment programs and cooperate to create multiple opportunities for youth in the community. The outcomes from YEP are combined with HYPE partners to create a total community impact measure. Goals and outcomes for 2024, and comparison to past years are below.

Overall, 2024 was a successful year, as most of the project goals were met or exceeded. There were a few exceptions and all of the outcomes will be analyzed. Highlights from 2024 include:

- Connecting with over 5,765 young adults
- **Employment opportunities for 2,893**
- **Over \$4.1 million estimated wages earned by young adults**
- Engagement with 430 employers
- Created a new Camp HYPE with Bombardier
- Over 695 High school Interns placed at:
 - Bombardier
 - Butler Community College
 - City of Derby
 - City of El Dorado
 - City of Wichita (Mayor Lily Wu)
 - Cox Machine
 - Dondlinger
 - Ennovar
 - Greater Wichita Partnership
 - Kansas Leadership Center
 - Kansas Department of Transportation
 - Romney Farms
 - Spirit AeroSystems
 - Textron Aviation
 - Wichita Business Journal
 - Wichita State University

2024 YEP Outcomes

Measure	2024 Actual	2024 Goals	2023 Actual	2022 Actual
Total Young Adults Served	5,765	6,000	5,732	3,583
Total Employment	2,893	2,500	2,392	2,261
Wages Earned (estimated)	\$4,165,920	\$3,500,000	\$3,444,480	\$2,913,120
Workshop Participation	740	1,000	858	913
Badges Awarded	1,542	2,000	1,545	2,151
ESC Certificates Earned	514	800	515	717

Counties Engaged	7	6	6	6
WIOA Referrals	30	50	30	N/A

The following is a breakdown of reported employment for 2024 by HYPE Partners:

2024 HYPE Employment Outcomes

Employment Type	Total
WIOA Subsidized (WA)	38
YEP Subsidized (WA)	147
YEP Employer Funded (WA)	2,288
The Way to Work (City of Wichita)	175
Job Prep (YMCA)	221
Youth Self-Reported (WA)	24
Total	2,893

Participants

In 2024, YEP served 5,765 young adults and engaged 430 employers, reflecting a .57% increase in youth served and a 1.1% decrease in employers engaged compared to 2023 totals.

Estimates Wages and Economic Impact

Wage estimates for 2024 YEP participants are \$4,165,920. This is calculated by taking the number of job placements with an estimated wage of \$9 per hour for 20 hours per week over eight weeks.

Outreach

Outreach sessions were conducted with area high schools and community partners. In total, 23 outreach sessions were held at 19 high schools in six school districts across three counties. These sessions were attended by 752 young adults. This is a 27% increase in the number of sessions held and a 9% increase in youth attendance at outreach events over 2023 totals.

Youth Essential Skills Certificate and Workshops

The Youth Essential Skills Certificate (ESC) was created to help address the issue of “soft skills” or work ethic. The curriculum includes workplace etiquette, customer service, money handling and financial literacy. Young adults earn an electronic badge through the Accredible system for each workshop attended and were awarded the ESC credential if they completed the entire series of YEP workshops. The ESC Workshop series was offered 25 times from January through July 2024, a 19% increase in the number of workshops compared to 2023; 740 participants attended YEP Workshops, and 1,542 badges were awarded for workshop participation. In total, 514 participants earned the Youth Essential Skills Certificate.

YEP Job Fairs

A total of 20 job fairs were held in 2024 and attended by 2,403 young adults and 320 employers.

Job Placements

The final outcome for YEP 2024 was 2,892 job placements. A list of participating employers is attached. The majority of job placements were for seasonal, temporary or part-time jobs, but the number of dedicated high school summer internships continues to increase; some participants also found employment outside of the program after completing a workshop and self-reported their jobs. Most wages earned by participants were directly funded by the employer, however some participants participated in subsidized wage programs.

Road Trip Nation

The Road Trip Nation documentary series "[Paths Across Kansas](#)" features a green RV as the backdrop for the journeys of local college students exploring career opportunities throughout Kansas.

In 2024, YEP integrated comprehensive curriculum from Road Trip Nation, designed to inspire students to explore their passions and discover potential career paths. Through engaging video content, interactive activities, and personal reflection, students are guided on a journey of self-discovery. Key components of the curriculum include:

- Self-reflection and goal setting: Students are encouraged to identify their interests, values, and aspirations.
- Career exploration: The curriculum introduces students to a diverse range of careers, providing insights into different industries and job roles.
- Interviewing skills: Students learn how to conduct effective interviews, gaining valuable communication and interpersonal skills.
- Storytelling and presentation: Students develop their storytelling abilities and learn to present their ideas confidently.

Throughout the year the overall analytics and engagements with Road Trip Nation curriculum was:

Metrics	Totals
Total Users	648
Sessions	1,208
Views	1,979
Engagement Rate	67%
Video clicks	212
Resources clicks	114

Transfr Virtual Career Exploration

In 2024, YEP integrated Transfr Virtual Reality Career Exploration headset in classroom experiences and at outreach events. Transfr is an innovative platform that provides students with immersive experiences to explore various career paths. Through virtual reality simulations, students can virtually step into different professions, gaining firsthand insights into daily tasks, responsibilities, and the overall work environment.

Key features of Transfr VR Career Exploration include:

- Immersive experiences: Students can experience a wide range of careers, from healthcare to engineering, in a realistic virtual setting.
- Hands-on simulations: The platform offers interactive activities that allow students to practice skills and tasks related to specific professions.
- Career guidance: Transfr provides personalized career guidance and support to help students identify their interests and make informed career choices.

Automotive

Aviation

Construction

Camp HYPE

Camp HYPE is a week of career exploration that combines ESC workshops with tours to local employers by industry. It is structured as an “employment opportunity” and students who successfully completed a week of camp earn a \$200 stipend.

- Nine Camps were held weekly from June 6 – August 10
- Wichita Public Schools provided eight staff to assist with operating the camps and delivering the workshop curriculum.
- Students ranged between the ages of 14-18, must have completed their freshman year of high school and yet to graduate to attend.
- Students had access to laptops and every student was able to create a resume.

Camp HYPE Weekly Summary

Date	Camp Sponsor and Theme	Attended
June 3-6	Sumner County	5
June 10-13	Public Safety Sponsored by Wichita Metro Crime Commission	23
June 17-20	Healthcare Sponsored by Ascension Via Christi	13
June 24-27	Trade Skills	15
July 8-11	Tech sponsored by FlagshipKansas.Tech	14
July 8-11	Financial Services sponsored by Bank of America and Meritrust Credit Union	19
July 15- 18	Spirit AeroSystems	20
July 22- 25	Bombardier	16
July 29-Augt 1	Textron Aviation	21

HYPE/YEP Participant Feedback

Comments are below, and the overall feedback was very positive.

- This is a great program and I learned a lot of valuable things. I never would have spoken in front of group but working with Chelsea over these years I was able to come back and speak with other HYPE Campers about my experience at boot camp, which I never would have been brave enough to do beforehand.
- Love the working environment! Would like to have more work next time. Felt like I could have done more for the company. Love the out of work activities.
- YEP helped me learn how to handle and manage my time in looking for jobs. I learned a lot of people skills through icebreakers and simply talking to people I have never talked to before.
- The YEP people at the fair were very supportive
- Sarah has a great time in the workforce camp, it is really quality time with great people. She has more ideas about job and career also she makes new friends. She wants to do that camp again next year
- Thank you for helping Sarah join the CAMP... We really appreciate
- I got to see a lot of planes. I got to go inside the global 8000. I made some friends. I got some career development.
- The trips and being with my friends
- I liked the field trips we went to different businesses
- The field trip experiences
- Meeting new people and learning about finance
- The relaxed atmosphere, exposure to different industries and hands on experience with job seeker task.
- The kids like the building and the net app visit
- hanging out
- I like meeting the people that worked in these services it helped me learn a lot and I got a new perspective about the variety of jobs that exist within banks and that not everyone has to be a teller.
- Staff is polite
- Being able to operate Astro
- Friendship and interesting topics.

2025 Youth Employment Project Planning Meeting Wichita Workforce Center • 2021 N. Amidon September 30, 2024

SESSION NOTES

The Workforce Alliance hosted a Youth Employment Project (YEP) planning meeting on September 30, 2025 to review 2024 outcomes and begin to set goals and identify strategies for 2025.

The session was attended by Workforce Alliance Board members, employers, representatives from area schools, and YEP community partners.

Key Takeaways:

- Direct Interactions to connect with youth.
- Design outreach strategies and develop internship / employment opportunities that align with scheduled school activities
 - Marketing strategy that uses media partners (Wichita Business Journal, KWCH), social media and success stories from the voice of youth.
- Develop a “call to action” by industry sector to match academic / career interest from students to develop outreach strategy to increase employer participation
 - (Align with Employer groups like Wichita Chamber, Greater Wichita Partnership et....)
- Create tool kit for employers, sample job descriptions, application and screening options, supervisory suggestions etc.....
- Employer Partnership outreach suggestions
 - Construction: Hutton, Crossland, Area Contractors, possible outreach to leverage programs at Home Depot, Lowes, Menards
 - Banking Finance: Emprise, Fidelity, Intrust
 - Non-profit and local governments as employer partners
- Are there opportunities for Mental Health Career awareness and pathways?
- Review Financial Literacy programs and include cyber-security, ID theft
- Opportunity to include programing from Kansas Leadership Center as career awareness / development / employment strategy
- Create 2025 Timeline / Calendar with scheduled planned activities and deadlines

Next Steps:

- Send notes from the planning session to attendees and invitees requesting feedback and suggestions
- Review the 2024 YEP Report
- Share results from XELLO career interest data to help determine employer outreach strategy
- Identify 10-15 employers to help develop and place high school internships.
- Reconvene YEP planning group before Thanksgiving holiday

**Workforce Alliance (WA) Youth Employment Committee
Meeting Minutes
August 20, 2024 – 11:30 AM**

1. Welcome and Introductions

The Workforce Alliance Youth Employment Committee assembled via ZOOM. The meeting was called to order and self-introductions were given. Stacia Kaylor, K-12 coordinator at Textron Aviation, was introduced as a new committee member replacing Phet Namphengsone.

2. Program Updates

KC Schumacher shared an update on the Workforce Innovation and Opportunity Act (WIOA) Youth program. Youth staff and leadership continue to focus on expanding the program. Orientation sessions are offered virtually twice a week, which addresses transportation and childcare barriers that many participants experience. The fourth Roadtrip Nation (RTN) class in partnership with CPRF has been completed. Currently, seven participants have successfully completed the program; the classes have helped participants narrow down career interests and find relevant work experience. A new Youth Services Specialist has been hired and is conducting site visits, completing annual documentation for all work experience employers, seeking new work experience opportunities for youth participants and performing community outreach to attract more youth to the program. WIOA Youth program enrollment has exhibited sustained growth, increasing from 88 participants in January to 108 in July 2024. There is a program goal of 150, but staff could and wish to serve around 200. It was noted that the RTN tools are being used in the schools in addition to CPRF partnership. Blackburn asked about usage and outcomes for the RTN project and would like to see data on funds invested and the resulting outcomes of the program. Staff will prepare a detailed report for the next meeting to share with committee members. Staff have also been in discussions with RTN about how to take the program to the next level and inject some additional resources in order to grow the impact of it.

Denise Houston reported on performance outcomes for the WIOA Youth program for Program Year 2023, which ended June 30, 2024. Final performance data for the program year will be entered by August 31, 2024. Preliminarily, the program is exceeding all performance measure standards.

Amanda Duncan provided an update on the statewide Work-Based Learning (WBL) program. Final program year 2023 numbers were presented that include data from each workforce area across the state; many outcomes have improved from last year. Each local area receives funds from the state for WBL activities. In Local Area IV, two WBL Intermediaries are funded, which allows the WA to partner with schools and work with students on career exploration activities. The report includes tracking students by career pathway in high school, type of activities participants engaged in, number of referrals into WIOA Youth program and a breakdown of school districts, which has grown significantly statewide.

Report was received and filed.

3. 2024 Youth Employment Project (YEP) Update

Duncan provided an update on activities and goals for YEP in 2024. The data is preliminary and final results will be shared when available. 5,765 students were served less than the goal of 6,000. Compared to last year, there was less workshop participation, about the same number of badges and certificates earned and fewer participants in Camp HYPE due to a decrease in funding and a camp cancellation. There was slightly less employer engagement overall; however, more employers participated in job fairs. Fewer students participated in job fairs, but more were involved in internships. The number of outreach events increased and referrals to the WIOA Youth Program were

about the same. Messaging and outreach about the program continues to be made in communities to employers with the hope of creating more summer internship opportunities or providing other opportunities that contribute to youth employment for young people that can be tailored to student career interest and goals. Chelsea Daniel, WA Work Experience Coordinator, provided information on the Career Camp HYPE's that took place this summer. Very positive feedback has been received from employers and youth and more feedback has been received from parents this year, which has also been very good. Through partner collaborations and business connections, the camps provided classroom presentations, tours and in-depth financial literacy for participants. The camps also include the use of virtual reality equipment, which allows students to experience virtual hands on experiences in many different types of careers. Staff have applied for a distance learning grant, which would provide the necessary funding for additional headsets for three years. Staff are also continuing to work to expand the internship model outside of the Wichita area.

Report was received and filed.

4. **2025 Youth Employment Project Planning**

Staff discussed scheduling a convening of community partners to participate in planning for the 2025 Youth Employment Project (YEP). 2025 goals were proposed and members were asked for feedback. The convening would include discussion on key goals, data tracking and reporting, building on successes and looking at way to improve aspects that were less effective. The focus is to increase the number of employers offering work experiences that relate to a young person's career interest and goals. Committee members would be the core group of this meeting with other community partners, schools and employers being invited to join the discussion in an effort to identify strategies to achieve program goals. Staff will contact committee members with potential dates and schedule the convening when most can attend. The Committee agreed on the need to gather more success stories and anecdotal evidence to support the cause of increased employer engagement. More tracking of outcomes of students in paid and unpaid internships that result in employment with that employer is also needed. Lawing emphasized the importance of demonstrating a positive return on investment (ROI) to encourage more businesses to participate and suggested diversifying employer partnerships to provide more opportunities for young people.

5. **Partner Updates**

- The YMCA's Job Prep program was very successful summer again this year with 240 fully graduating from the program, which included a 12 week learning session and 10 weeks of employment over the summer. Approximately the same number of young people were served this year as last and YMCA staff are looking to increase that number in 2025.
- Textron had 150 interns this summer; 400 young people applied. Interns are between 16 and 19 years of age. Interns were placed across all departments of the organization with attempts made to match them with their career interests.
- WSU Tech has seen a significant increase in first-time freshman enrollment, this is being attributed this to successful summer community programs like Camp HYPE.

6. **Consent Agenda**

Approval of the minutes from the February 20, 2024 meeting and Program Year 2023 (PY23) budget update were presented to the Committee for review and/or approval. Chad Pettera provided an update on the budget, noting that all work-based learning funds were expended by May, but new funds had been received in July. RTN expenses that were supposed to be billed last year were billed this year and make up most of the outreach and capacity building line item on the YEP budget.

Debbie Kennedy (Cody Griffin) moved to approve the Consent Agenda. Motion was adopted.

7. **Adjournment**

The meeting was adjourned at 12:35 PM.

Attendees:

LWDB Youth Employment Committee Members

Rod Blackburn, Partners in Education, Chair
Cody Griffin, WSU Tech
Stacia Kaylor, Textron Aviation
Debbie Kennedy, Wichita Children's Home
Mim McKenzie, YMCA
Alana McNary, Professional Engineering
Consultants
