Wednesday, January 11, 2023 at 11:30 a.m.*

Item

On-the-Job Training (OJT) Contracts for the Eligible Training Provider List (ETP) List

Background

1. Approval of Addition to the ETP List for OJT

The following employer has submitted an application to be added to the ETP list for OJT.

Employer:	Integra Technologies
Company Description:	Testing Semiconductor Chips
Location:	Wichita, Sedgwick County
Occupation(s):	Production
Training Length:	TBD
Average Wage Range:	\$15.00 per hour including all entry level positions, for the positions submitted for OJT or IWT, the minimum wage will be \$15.60 per hour or higher.
Benefits:	Full benefit package
Comments:	Integra Technologies has 16 active job postings on KANSASWORKS. Two of those roles have been approved for OJT through One Workforce: PC Technician and Test Operator. Job Descriptions are attached. Integra Technologies will be exploring ways to utilize the Incumbent Worker Training. Integra Technologies is actively engaged with the Youth Employment Project.
OJT Funding Streams <i>subject to availability</i>	All Funding streams are available and appropriate based on occupation and new hire eligibility requirements.

Recommended Action

Approve addition of **Integra Technologies** to OJT ETP list.
