

Free Financial Counseling

If you would like to discuss your credit, budget, debt, or anything else with your finances call us to schedule a session.

*Note: We do have fees associated with some services like, issuing bankruptcy certificates, counseling for reverse mortgage, debt management plans...etc. Most of our services are free though.

About CCCS

Our organization specializes in helping individuals and families find **financial stability** through workshops, classes and one-on-one counseling. We've been serving KS since 1985 and are invested in the wellbeing of our community.
