

## **Workforce Alliance of South Central Kansas** **Spring 2024 Training Report**

### **Executive Summary**

The goal of the Workforce Alliance of South Central Kansas (WA), the Local Workforce Development Board serving Local Area IV, is to leverage resources and align services to increase the community impact of the annual Federal allocation from the Workforce Innovation and Opportunity Act (WIOA). At the direction of the WA Board of Directors, staff and Workforce Center partners seek opportunities to secure grants and collaborate on training projects to bring more funding to the region. The result is job seekers in Local Area IV have access to a number of different employment and training programs.

This report summarizes the number of people currently in training, the occupation and employment sectors of the training, the education and training providers, and leveraged funds. Training includes Incumbent Worker Training, On-the-Job Training, Occupational Skills Training, and Registered Apprenticeship.

The report demonstrates a decline in the number of participants in traditional classroom training, but a sharp increase of participation in “earn and learn” opportunities like Registered Apprenticeship and On-the-Job Training (OJT). Much of this increase is attributed to the Kansas Department of Commerce investing in expanding Registered Apprenticeships Programs in the state, and OJTs through the One Workforce grant managed by the Workforce Alliance.

For Program Year 2023, 43 percent of the budget is from the annual WIOA allocation, and the balance comes from other grants and special projects. Here are the projects and programs that are currently being leveraged and funding skills training in Local Area IV.

- Career Dislocated Worker Grant
- Home Base Wichita
- MeadowLARK Registered Apprenticeship Grant
- One Workforce Grant
- Pathway Home Grant
- Retaining Employment and Talent After Injury/Illness Network (RETAIN)
- State Apprenticeship Expansion, Equity, and Innovation (SAEEI)
- Trade Adjustment Assistance (TAA)<sup>1</sup>
- WIOA Adult, Dislocated Worker, Youth

---

<sup>1</sup> TAA funding has not been reauthorized; future funding is not expected.
