

EMPLOYER SERVICES

A proud partner of the AmericanJobCenter network

“The Workforce Centers of South Central Kansas is an amazing partner to work with. Their staff is easy to work with and always willing to help answer questions. They have helped us to formalize our On-the-Job training program and provided us with several resources to help us grow in the Wichita community. We have been thankful for their warm welcome to Wichita, and look forward to growing our partnership even more over the years to come.”
