Introduction

This Memorandum of Understanding (MOU) is between the Workforce Alliance of South Central Kansas, Inc. Board of Directors (WA) for Local Area IV (LAIV) and Workforce Alliance of South Central Kansas (Partner), on July 1, 2026 pursuant to the Workforce Innovation and Opportunity Act (WIOA), Section 121(c).

This MOU is executed between the Workforce Alliance Local Workforce Development Board (LWDB), Chief Elected Officials Board (CEOB), and One-Stop System Partners (Partners).

The MOU is developed to confirm the understanding of the parties regarding the operation and management of the American Job Centers, also known as Workforce Centers or One Stop Centers in the local area. The WA Local Area (LA) is comprised of Butler, Cowley, Harper, Kingman, Sedgwick and Sumner counties in south central Kansas. The LWDB and CEOB oversee the operation and outcomes of the Workforce Delivery System through the American Job Centers.

The LWDB, with an agreement with the CEOB, will jointly select the One-Stop Operator through a competitive procurement process.

The One Stop Operations Budget and Infrastructure Funding Agreement (IFA) establish a financial plan, including terms and conditions, to fund the services and operating costs of the WA LA One Stop Service Delivery model. The parties to this MOU agree joint funding is an essential foundation for an integrated service delivery system and necessary to maintain quality services in WA LA.

The goal of this MOU is to create integrated locations and a unified structure and process of proactive, transparent, and effective job seeker and business services, provided in a seamless collaborative effort to support all Partners' services and outcomes. The purpose of this MOU is to define the parameters with which education, workforce, economic development, and other partner programs and entities operate in WA LA to create a seamless, customer- focused network which aligns service delivery across the local area and enhances access to all program services. By realizing One Stop opportunities together, Partners are able to build community-benefiting bridges, rather than silos of programmatic isolation.

The vision adopted by the local LWDB is A thriving regional economy where every employer has the talent they need, and every Kansan has access to meaningful, living-wage work. This is accomplished by promoting economic prosperity and the self-sufficiency of individuals and families through creating a workforce which is competitive in the global marketplace.

Effective Period

This MOU is entered into on July 1, 2026. The MOU will become effective as of the date the final signature is applied. The MOU will terminate June 30, 2029. The MOU may also terminate if the partner no longer operates the required program. The MOU may be re-negotiated at any time if Partners believe services or terms in this MOU no longer represent the services delivered in the local area. The MOU will be reviewed annually at the One Stop Advisory Council; Partners are encouraged to review the MOU at least annually and suggest ideas for

improvements or changes to the committee. The Service Delivery Grid may be updated annually, unless a significant change occurs in that Service Delivery Grid, and the MOU will remain in effect.

One Stop Center Operations

Mission

“Growing the regional economy through a skilled workforce by connecting people, employers, and community partners.”

Vision

“A thriving regional economy where every employer has the talent they need, and every Kansan has access to meaningful, living-wage work.”

The Workforce Alliance of South Central Kansas and the One Stop Centers Partners developed this Memorandum of Understanding to ensure that the following principles of the Workforce Innovation and Opportunity Act of 2014 are implemented:

1. Universal Eligibility: All customers, including those with barriers to employment, will have access to job seeker services at each One Stop Center designed to provide information to make career and labor market decisions. Career services, training and support services will be made accessible on-site.
2. Customers and Shared Customers: This MOU identifies shared customers as individuals with disabilities, education, language, work history/experience and income barriers, and those with Veteran status who will achieve measurable outcomes in the areas of education, training, job placement/retention and career pathways toward self-sufficiency.
3. One Stop System Approach: All customers may explore work preparation and career development services and have access to information on a range of employment, training and adult and occupational education programs. Services will be made available through the One Stop Centers or WIOA Partner Programs.
4. Individual Choice: Customers will have access to a multitude of career, skill, employment and training information to obtain the services and skills they need to enhance their employment opportunities, based on their individual needs, building on the advice and counseling provided by Workforce Centers staff.
5. Regional Development: To develop a workforce development system that upgrades the regional area workplace skills and enhances the economic development of the area. Services such as tax credits and labor market information will be made accessible on-site.
6. Cost-Effectiveness: All customers will have access to a system that minimizes costs, enhances the participation of employers and job seekers served through the system and does not duplicate services.

SECURITY AND SAFETY: The One Stop Centers are locations that individuals with multiple barriers can come and receive services regarding employment and training. All partners must do their duty to promote safety of customers and staff. LWDB asks that all One Stop System Partners follow the following safety standards:

- Utilize work areas or offices that allow for easy exits or insure the presence of another staff/team member when meeting with a customer where there is a potential risk.
- Restrict access to items that may be used as a weapon.
- If available, inform the security guard when meeting with a customer who presents a risk. If security is not available, coordinate services with a supervisor/manager.
- Call the security guard should you feel uncomfortable or see a fellow staff member in an escalating situation. The security guard can be reached by dialing *01 on all desk phones or by cell phone at 316- 239-4802.
- Ensure the security of One Stop Center proxy cards and inform helpdesk@workforce-ks.com should your proxy card be missing.

In order to provide a productive and safe environment for all One Stop System Partners, the LWDB requires all One Stop System Partners to disclose to the Chief Operating Officer if an employee working out of or collocated at one of the Workforce Centers in WA LA has a felony. All Partners are

required to perform adequate background checks on staff and volunteers. Please note the following provisions:

- Individuals with crimes against a person will not be permitted to collocate or work out of WA LA Workforce Centers.
- In order to provide the most successful environment for employees, a safety plan will be in place for other felonies in order to mitigate any potential threat. Example: individuals with financial crimes will not work with money.
- The LWDB will support the One Stop Partner Agency in screening, assessing, and conducting background checks at the agency's request. A background check must be provided to the LWDB Administrative Agency, the Workforce Alliance, prior to the start date of the employee.

The Workforce Alliance works with employers and Partners throughout Local Area IV to align services, leverage resources, and promotes a seamless and integrated service delivery model in the region. One Stop Budget

The purpose of this section is to establish a financial plan, including terms and conditions, to fund the services and operating costs of the WA LA One Stop service delivery system. The Parties to this MOU agree joint funding is a necessary foundation for an integrated service delivery system. The goal of the operating budget is to develop a funding mechanism that establishes and maintains the local workforce delivery system at a level meeting the needs of the job seekers and employers, and that reduces duplication and maximizes the sharing of services, resources, and technologies among Partners.

The Partners consider this One Stop Operating budget (Attachment D) necessary to maintain the local Workforce Centers. The One Stop Operating budget is expected to be transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners negotiated in good faith and established outcomes which are reasonable and fair.

Partners Shared Costs and Infrastructure Funding Agreement

All partners will review the budget and allocations at least annually. Partners will be given the opportunity to review costs and participate in budget development. Partners will be given a budget update regularly through the One Stop Advisory Council showing the budget, expenditures and collected revenues. The budget will be reconciled at least annually at the end of the program year. Partners shall submit new program participants or budget information quarterly within 15 days after the end of the quarter to establish equitable share and update the budget and allocations amongst partners. The budget will be reconciled to actual costs and updated at the One Stop Advisory Council meetings for all partners to review. Additional costs will be allocated to partners at the end of that reconciliation based on the same allocation formula. Savings will be refunded or credited to the partners' future costs, at the partners' discretion.

All Partners to this MOU and Infrastructure Funding Agreement (IFA) recognize infrastructure costs are applicable to all WIOA Partners, whether they are physically located in the One Stop Center or not, as required by the WIOA. Each Partner's contributions to these costs, however, may vary as these contributions are based on the proportionate use and relative benefit received, consistent with the Partner's programs laws and regulations and uniform guidance. Partners have agreed to share costs based on the following methodology. American Indian Council is exempt from shared IFA costs, but does pay for their dedicated space used by the Native American Program

1. Infrastructure

Co-located and non-co-located One Stop Partners are required to share in the One Stop infrastructure costs.

A. Rent

Co-located partners have agreed to pay rent for their dedicated space plus a proportional share of any common space including conference rooms, bathrooms, break areas, hallways, and conference rooms based on their dedicated space percentage. All required One Stop Partners have agreed and will pay the cost of the resource room and workshop room(s) based on the number of participants enrolled in their program during the previous quarter

B. Security Contract

Total security costs will be divided amongst co-located and all required Partners at the same percentage as the rent allocation between co-located and all required Partners. Co-located Partners will pay security costs based on their dedicated space percentage. All Partners (non-co-located and co-located) will pay a portion of the security contract costs allocated for the resource room and/or workshop room(s) based on the number of participants enrolled in their program during the previous program year.

C. Utilities/Copiers/Supplies

Utilities costs consisting of electric, gas, trash, phone, internet, water/sewer, or any other necessary utility (not included in a lease), copier lease and paper supplies for the public will be allocated amongst co-located and all required Partners at the same percentage as the rent allocation between co-located and non-co-located Partners.

Co-located Partners will pay utilities costs based on their dedicated space percentage. All Partners will pay a portion of the utilities costs allocated for the resource room and workshop space based on the number of participants enrolled in their program during the program year.

D. Technology- For Public Use

Technology (Hardware and Software) costs for public use will be allocated amongst all required Partners based on the number of participants enrolled in their program.

E. Technology- Co-Located Partners

Technology (Hardware and Software) costs for staff located at the One Stop will be allocated amongst all co-located Partners based on their dedicated space usage percentage. Costs may include computer network server operational costs including upgrades and maintenance, phone system and network security services.

2. Center Operations-Other Shared Costs

The co-located partners have agreed that operations costs will be allocated to the Partners based on the Partner's co-located percentage of dedicated space. Allocations include personnel costs associated with staff time dedicated to Center operations, which include personnel who provide information technology services and facility maintenance and room/office space set up.

3. In-Kind Services

The Centers' infrastructure budget will incorporate different in-kind services and items that the WIOA Partners have agreed that are eligible for contribution to the One Stop infrastructure costs. It will be up to the Partner to offer those services during the program year and report them to the One Stop Operator.

Confidentiality

All Partners agree that information issued, received by or exchanged between Partners pursuant to their involvement with the One Stop Centers will be used only for the purposes set out in this MOU and will not be released except in accordance with applicable federal, state and local laws, rules, regulations and policies.

Non-Discrimination and Equal Opportunity

All Partners to this MOU are equal opportunity employers and operate equal opportunity programs. All understand they must comply with 29 C.F.R. 37.30 which states it is against the law for a partner to discriminate on the following basis: against any individual in the United States on the basis of gender, gender identity, race, color, religion, sex, national origin, age, disability, veteran's status, political affiliation or belief; and against any beneficiary of programs financially assisted under Title I of the Workforce Innovation and Opportunity Act of 2014 on the basis of the beneficiary's citizenship/status as a lawfully admitted immigrant authorized to work in the United States, or for his or her participation in any WIOA Title I-financially assisted program or activity.

Additionally, staff and Partners will be provided training to provide services to all, regardless of the range of abilities, mobility, age, language, learning style, or comprehension or education level.

The One Stops will make adaptive technology equipment and interpretation services available to any customer.

Accessibility

Access to the services provided by the Workforce Centers and all Partner Agencies is essential to meeting the requirements and goals of the Workforce Development Network. Job seekers and businesses must be able to access all information relevant to them via visits to physical locations as well as through virtual services, regardless of gender, age, race, religion, national origin, disability, veteran's status, or on the basis of any other classification protected under state or federal law.

One Stops will have assistive technology and equipment available to all customers. System design will strive to exceed ADA standards. Staff and Partners will be trained on assistive technology and how to best assist those with disabilities.

Interpretation services will be available through contract with Language Line for language interpretation and through video for sign language. Signage will be provided for customers and staff on the availability of the services and how to access them.

One Stops will maintain a culture of inclusiveness and the physical characteristics of the facility, both indoor and outdoor, will meet the latest standards of accessible design.

Dispute Resolution

All parties to this MOU will participate in local negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally. Should informal resolution efforts fail, the dispute resolution process must be formally initiated by the petitioner seeking resolution. A disagreement is considered to have reached the level of dispute resolution when an issue that arrives out of the development, negotiation and implementation of an MOU does not easily come to a point of resolution. All disputes reaching this level will refer to Kansas Department of Commerce Policy 05-20-00.

Monitoring

WA LA LWDB, or its designated staff, CEOB, officials from the state and local administrative entities, the US Department of Labor, Education, and Health and Human Services have the authority to conduct fiscal and programmatic monitoring.

Modification Process

Except for amendments necessary for compliance with applicable federal, state and local laws, rules, regulations and policies and amendments as set forth in the paragraphs below, non-partner specific amendment or modification of the information contained in this MOU may only be accomplished by written consent of all of the Partners. Any request to amend a provision should be made in writing (email is sufficient) to the WA and must be agreed to in writing by all Partners. The WA will notify the other Partners of the details of any requested modification. This MOU may also be modified from time to time without the prior consent of existing One Stop Center Partners to add new Partners. These new members may sign the MOU in its existing form as of the time that they are being added. All Partners to the MOU will be notified in writing of additional parties joining in the MOU. Any adjustment of cost sharing items will be reviewed and adjusted by WA prior to adding additional Partners.

It is understood by the parties to this MOU that each should be able to fulfill its One Stop role in full accordance with all applicable federal, state and local laws, rules, regulations and policies which govern or affect their activities. If at any time any party is unable to perform its functions under this Agreement, the affected party should immediately provide written notice to all parties of its intent to discontinue its participation as a One Stop Provider at least 30 days in advance thereof. All MOU Partners will be notified if a partner can no longer perform its duties as outlined in the MOU and an assessment of the changes and impacts will be conducted by the partners. Changes

to the MOU due to a partner not being able to fulfil its duties will be reviewed and approved by all partners.

Termination

This MOU will remain in effect until the end date specified in the effective period unless all Partners mutually agree to terminate this MOU prior to the end date.

In the event it becomes necessary for one or more Partners to cease being a party to this MOU, said parties shall notify the other parties in writing 30 days in advance of the intention.

Jobs for Veterans State Grant (JVSG) – Kansas Department of Commerce

The local Disabled Veteran Outreach Program Representative (DVOP) and Local Veterans Employment Representative (LVER) offer employment and training services to eligible veterans with significant barriers to employment.

Eligibility:

- An individual who is a veteran or an eligible spouse of an eligible veteran
- A veteran is defined as a person who served more than 180 days of active military, naval, or air service, and who was discharged or released under conditions other than dishonorable, as specified in 38 U.S.C. 101(2)

Active service includes full-time Federal service in the National Guard or a Reserve component. Active service does not include full-time duty performed strictly for training purposes (i.e., that which is referred to as “weekend” or “annual” training), nor does it include full-time active duty performed by National Guard personnel who are mobilized by State rather than Federal authorities

Eligible spouse is the spouse of any of the following:

1. Any eligible veteran who died of a service connected disability
2. Any member of the Armed Forces serving on active duty who, at the time of application, is listed in one or more of the following categories and has been so listed for a total of more than 90 days
 - Missing in action
 - Captured in the line of duty by a hostile force
 - Forcibly detained or interned in the line of duty by a foreign government or power
3. Any eligible veteran who has a total disability resulting from a service-connected disability, as evaluated by the Department of Veteran’s Affairs
4. Any eligible veteran who died while a disability was in existence

A spouse whose eligibility is derived from a living veteran or service member would lose his or her eligibility if the veteran or service member were to lose the status that is the basis for the eligibility. Similarly, for a spouse whose eligibility is derived from a living veteran or service member, that eligibility would be lost upon divorce from the veteran or service member.

Significant Barriers to Employment:

- A special disabled or disabled veteran, as those terms are defined in 38 U.S.C § 4211(1) and (3);
- Homeless
- Recently-separated service member, who at any point in the previous 12 months has been unemployed for 27 or more consecutive weeks;
- An offender released from incarceration within the last 12 months;

RA is an ideal way for employers to build and maintain a skilled workforce. RA combines full-time employment, on-the-job learning (OJL) and related technical instruction (RTI). The OJL must be overseen by a mentor that is skilled in the occupation. The RTI may be provided through community or technical colleges, correspondence, online, distance learning, contract vendors or apprenticeship training centers to both educate and develop business and industries' workforce.

There are over 1000 apprenticeable occupations in which Registered Apprenticeship programs can be developed. If an employer has training needs in an apprenticeable occupation, refer the customer to a Kansas Apprenticeship Program Consultant.

RA programs **must have an employer—employee relationship** in order to exist. An employer must develop and register a set of Standards of Apprenticeship with the Kansas Department of Commerce - Kansas Apprenticeship Council in order to become a sponsor. As a RA Sponsor, the employer will be responsible for all elements of the program, including the selection and placement of apprentices in their program.

REFERRAL PROCESS:

- All employers in need of training in an apprenticeable occupation should be referred to a Kansas Apprenticeship Consultant. Contact information is on our website.
- All job seekers should be referred to **KANSASWORKS.com** for open apprenticeship positions.

NOTE: In order to connect Kansas job seekers to a Registered Apprenticeship program, Apprenticeship Program staff has requested employer/sponsors post all job openings on **KANSASWORKS.com**. Job seekers can do a key word search on **KANSASWORKS** for '**Apprenticeship**' and it will identify all posting that mention the key word **apprenticeship**. Kansas employer/sponsors with a Registered Apprenticeship Program will be identified with a **BOLD RED 'RA'**. Job seekers should check those listings for openings in his/her area(s) of interest and qualifications and then follow the posted directions for application. The Sponsor will contact the Apprenticeship Consultant to register a new apprentice under their program.

If a workforce partner is doing a customer assisted job posting on **KANSASWORKS** for an apprenticeship sponsor, please contact an Apprenticeship Consultant for the program registration number. (The **BOLD RED 'RA'** will not show up next to the posting without the registration number.)

SPECIAL NOTE: All employer referrals should be sent to Crosby Branham (cbranham@workforce-ks.com)

Registered Apprenticeship is located at the Wichita Workforce Center at 2021 N. Amidon, Suite 1100, Wichita, KS 67203.
