

One Workforce Employers

The One Workforce Project is designed to engage industry through sector partnerships to develop and implement comprehensive, employer-driven workforce strategies to move underemployed and unemployed individuals into middle-to-high skilled careers. The goal of the project is to equip workers with emerging technical skills to build a stronger pipeline for employers in Technology and Advanced Manufacturing occupations in South Central Kansas.

Employers interested in this program can fill out a Training Needs Assessment at: www.surveymonkey.com/r/SCKOWG

One Workforce Project provides funds for employer led training, including in-house or custom programs, or through scholarships to local colleges or universities based on employer needs.

Employers must be located in one of these counties to participate
