"Thank you for seeing the value of a mature worker! I have become a success story thanks to the SCSEP program. SCSEP changed my life and offered me a new level of confidence and self-sufficiency. As a result of the paid training I received on SCSEP, I became gainfully employed, earning a livable wage with full benefits, and a chance to give back... I am again a tax-paying citizen, off government assistance, and living proof this program works."
